Report from Javier Cuarezma.

Greetings to all of you from Mexicantown, Detroit. Our congregation is going forward day by day and week by week. Our regulars meetings are taking place without delay. Thank you for your prayers and support.

Last weekend Sept 18-19. I was preaching and teaching to the Spanish Church of Christ that meet at 218 Garrard St. Covington, KY. Saturday 7pm I was teaching the topic of Christian marriage because that congregation has young people with interest in that subject. Sunday afternoon at

worship I was preaching the sermon. It was a great time Isabel and I got with the church there.

Last Sept 3-5. We attended and also we were very involved in the Great Lakes Spanish Lectureship that took place in Quarryville, Pennsylvania. Under

the topic: "Defending our Faith in Modern times," an attendance of more than 400 people from churches of Christ around Great lakes area listened great lessons delivered by three preachers. Fernando Diaz from Chicago, Carlos Hughes from South Carolina and Francisco Rada from Texas. Lord willing next year May 27-29, 2022 on Memorial day weekend the #22 GLSL will take place in Covington, KY. Our annual GLSL now is growing and covering more USA territory so for this reason our name has been also extended to Great Lakes Spanish Lectureship PLUS (GLSL+)

Mission work. *We plan to give away 600 backpacks and supplies in Nicaragua one more time. We have done it the past two year so this will be our third time. Memo: Backpacks for Nicaragua. For safety reason send the check to my home address: 2133 Junction Street. Detroit, MI 48209.

THE FUTURE OF THE CUAREZMA.

From January 2022 until the Lord call us “up there” my wife and I have the plan to keep working and serving our Lord Jesus Christ by extending our Spanish ministry to the Great Lakes area US-Canada and to Central America.

Next year 2022 January, February, March and April we will stay in Costa Rica and Nicaragua. We are going to preach and teach the Word of God there. In Costa Rica we will help the Church in Cartago city and the Church in Paso Ancho San Jose city. In Nicaragua we will be working for the Church in Los Altos, Masaya city and Nueva Libia in Managua City.

From the month of May to December 2022 we will stay in Michigan. We plan to be involved in preaching and teaching among the Spanish Churches of Christ in Great Lakes area US – CANADA. At the last GLSL in Pennsylvania we named 7 preachers that they will work with me organizing our yearly lectureship so we are going to be very busy planning and sharing the work during the Lectureship year by year. Thank you very much for the financial support, the prayers and the encouragement we received from you. Certainly it has been very important for our mission work. Next report we will have more information and details of our work in 2022. God bless you forever.
