Brother D. Prabhudas Passed Away

On October 25th brother D. Prabhudas suffered a heart attack and passed away. We had just recently started supporting him as one of our native missionaries. He was a 2021 graduate of our preacher training school and was working with two congregations in Telanganna state. As you can see from the above reports he was one of our most productive evangelists. Brother Prabhudas was only 35 years old and leaves a widow with two small children behind. Please pray for his family and the congregations to which he ministered the word.

White Hall Church of Christ

Brother Prabhudas 'burial- his wife and children. We must continue his support to his widow and children.

Good Brother who had to crawl to church until we purchased a hand peddled tricycle for him.
